COCKTAIL BAR

Go crazy, go wild, get wasted,
get wise, get active, get radical,
get real and get magical.
Aspire to the heights and
embrace all your lows.

Give in to desire...
let the flood of lust flow.

Get drunk on the wine
of the Light divine, so bright
that it blinds and burns
your mind blind!

Let experience unjudged
be your teacher supreme.

DWELL COCKTAILS

WARNING:

*If you are under 18 bla bla bla...we all know. Now for real:
Our love for the flavors of nature, our passion and our thrive for creativity are
the main ingredients used on this menu.
Make sure to tell the bartender if you are allergic to drinks
from another dimension.*

Nº 13

#GINGER&ME

(Gin)ger & me. This is a Dwell's super classic! A bit spicy by nature. Gin because it's already in the word ginger. Lemon juice because it's sour. Our flavour adds (cinnamon & chilli) because they're really good & fresh, organic ginger because it's the main thing here. Oh! And organic Red juice
Make me.

Nº 34

#MOONDANCER (*4)

A little bit sweeter or a little bit more sour. This tropical mango & passion fruit drink contains vodka, vanilla liqueur and something else I can't remember... but it will make you dance to the moon. For real.

Dance with me.

Nº 6

#GYPSY-HIPPY (*4)

Kind of a white lady. She has the soul of a gypsy and the hearth of a hippy. She loves Gin and Orange liquor. She shakes with fresh lemon juice, white egg & a drop of cherry. She's sweet, but mostly sour. She is a catch!

Seduce me. (Her)

Nº 202

#RED NOISE

I'm just a little clumsy chilli that fell into a beautiful strawberry and orange cocktail. Home made syrups and puré makes me sweet like it's your first time, every time. Or at least 70% of the times.

Hot spicy me.

Nº 99

#MOSQUITO

Fresh not just because it's new!
The cucumber is green,
The mint is clean (just washed it)
Vanilla.. you just have to surrender
And remember, tip the bartender.

Squeeze me.

Nº 27

#LUCHA-KOMBUCHA

This bad ass home-made by kombucha made by Andreas will kick them germs out of your body and give you a divine smile in return. The type of kombucha will depend on which one we made, but it goes with Gin, Oraganic blueberry&ginger liqueur, spices&herbs.

#MAI CHAI (*7)

Even Lord Shiva and Shakti said that this was a Hit. They allowed us, just this once, to mix some alcohol with our known home made Chai. Shiva prefers dark rum, Shakti says Light Rum. How about you?

Yoga me.

Nº 2

#APPLEPAW (*4)(*7)

Ai Caramba! This Green Apple cocktail is Carefully balanced with apple-infused vodka, green apple liqueur, fresh lemon & apple juice. A little of our homemade jam/syrup. I will use the best apple I find for you.

Bond with me.

Nº 55

#BUBBLE TROUBLE

Dwell'zez Spritzez. You already know our Aperol - bright orange color, bitter, sweet dried oranges & other herbs and prosecco. We have another variety of this drink that involves ELDERFLOWER and it's just as good, or better.

Uh lá lá!

Pick me.

Nº 120

#TEA SING, SONG

A mysterious blend of our best organic TEA... reduced to a thicker point and stired with honey infused whisky. You can have it ice cold or hot like fire.

How do you want it?

Try me.

Nº 86

#ADDICT-EVE (*7)

This is the short story about Eve. She was an outgoing person, until she met "Mr white cacao" and his friends, "expresso", "cream" & "polish (vodka)" that always came with fresh dark chocolate.

They got her hooked with vanilla extract! Be aware..

Handle me.

#DWELLTRYPTAMINE (*7)

The pineapple had a dream
That the coco was loco
Because he loved cream...(!?)
..and lime to finish the rhyme :)

Basically, this is a improved pina-colada.
Just that tastes sooo much better our way.
This drink can be used for personal development,
introspections, awakening, etc..

Trip me.
